

# Implementing Web Application

## Create UI Interact with Application

Date	05 November 2022
Team ID	PNT2022TMID39371
Project Name	CONTAINMENT ZONE ALERTING

### UI Interact with Application:

#### Admin App:

Login Page:

Log In to add the location of the containment zone

Email address

Password

Login

Don't have an account ... Create One

Register page:

A screenshot of a web browser showing a registration page. The browser's address bar displays "http://localhost:5000/signup". The page has a solid blue background. In the center, the text "Sign Up to create an account with us" is displayed. Below this text are three white input fields with blue borders, labeled "Name", "Email address", and "Password". A blue button with the text "Signup" is positioned below the input fields. At the bottom, there is a link that says "Already have an account ... Login".

Home page:

A screenshot of a web browser showing a home page titled "Declare Containment Zone". The browser's address bar displays "http://localhost:5000/home". The page has a blue header with the title "Declare Containment Zone" and a "Log Out" button. Below the header, the text "welcome: admin" is displayed. There are two input fields for "Lat." and "Long." with the values "13.067184099999999" and "80.1763357" respectively. Below these fields is a button labeled "Current Location" with the text "(Click this first)". A map of a region in India is shown below the buttons. At the bottom of the page, there is a red button labeled "Declare Containment Zone". The browser's taskbar at the bottom shows various application icons and the system clock.

Location data page:

The screenshot shows a web browser window with the address bar displaying 'http://localhost:3000/data'. The page has a blue background and a title 'Location data and Visited People' in bold. Below the title is a table with four columns: 'S.No', 'Latitude', 'Longitude', and 'No. Visited'. The table contains seven rows of data. A red button labeled 'Go to location update Page' is located in the bottom right corner of the table area.

S.No	Latitude	Longitude	No. Visited
1	13.069148883848849	80.17551259999999	0
2	13.068498821079215	80.1704513893799	0
3	12.979174795975714	77.59973092596437	0
4	14.469858338289407	75.91959519903565	0
5	13.062359612480321	77.5638966135254	0
6	15.840542738858232	76.64209647695924	0
7	15.3172775	75.7138884	0

Client Application:  
Register screen:

The screenshot shows a mobile application interface with a purple header bar containing the text 'Client\_Containment'. The main background is blue. In the center, the text 'Sign Up' is displayed. Below it are three input fields labeled 'Name', 'Email', and 'Password'. At the bottom, there is a purple button with the text 'SIGN UP' in white. The status bar at the top shows the time '9:06' and various icons. The bottom navigation bar is black with three white icons.

Current Location:

An Email will be sent to the registered mail id if the location is within 100 meters of the locations present in the admin app.
